Registrar

University Canada West

Location: Vancouver, BC

University Canada West (UCW) is a member of Global University Systems (GUS), an international network of higher-education institutions, brought together by a shared passion for accessible, industry-relevant qualifications and graduate success.

GUS institutions deliver a wide variety of programs, including bachelor's, master's, medical and law degree programs, vocational and professional training, and language programs face-to-face at one of its global campuses or through its online platform. When someone chooses to study at a GUS institution — whether on campus in Europe or North America, or even in their own home — they are joining a network of 85,000 students from 175 countries worldwide. GUS institutions are based in some of the world's largest cities, with campuses in London, Birmingham and Manchester in the UK, Toronto, Montreal and Vancouver in Canada, and across the globe in Singapore, Germany, Israel, India and the Caribbean.

University Canada West is seeking a Registrar to join its Senior Leadership Team at its recently opened Vancouver House Campus in downtown Vancouver. Our new campus is a modern, vibrant space welcoming students from across the globe. The Registrar will be part of a dynamic and energetic team that focuses on student success by creating a student experience that is second to none. A university that celebrates the impact of transforming lives through educational opportunities in business and technology.

As a member of University Canada West's Senior Leadership Team and Academic Council, the Registrar is vital to the success of this private, post-secondary entity in its connection with the domestic and international recruitment teams, the academic enterprise and with students directly.

The successful candidate brings an impressive track record of success as a senior administrator in Registrar/enrolment leadership roles in a post-secondary environment, ideally from multiple institutions. They will possess a minimum of five years recent, related experience including direct involvement with admissions, student records, transfer credit, PLAR, international students and international credential evaluation. They will bring experience using comprehensive student information systems and processes; and experience in RO development and re-engineering.
